“ Adam was a good friend. Knew him since middle school where we went to Wolfe together, and graduated in the same class at CLHS.

It is truly sad to know that his light is no longer present in this world.

“ Hi, I'm Jason. I was lucky to have been great friends with Adam since we were both in 2nd grade at age 7. We became instant friends. Growing up, Adam and I watched sports and wwe, played on the same Little League Baseball Team year after year and would have sleepovers at each others houses for years. Adam was the best friend a guy could ask for growing up as he was great guy with a big heart. We talked Sports and wwe when we were 10 years old, 20 years old, 30 years old and we thought we would be old guys 75 years old watching sports and wrestling LoL. Adams family made me feel part of the family and I thank Adams grandma, uncles, aunts, cousins along with his brother Nathan and his mother and grandpa who passed on many years ago. Adam I will never forget you and the great times we had over the last 25 years!!!! You will forever be my brother and part of my family . . . I miss u already Adam. Rest In Peace
