“ Vern was more than just my mother-in-law — she was a warm, loving part of our family. She had a big heart, and she loved her son in a way that was steady, honest, and always supportive. You could see how proud she was of him every day.

And to Baley, JR, Gracie, Carter, Julia, Cash and Weston- Granny loved you so much. You were her whole world. She talked about you all the time, bragged about you, and held onto every little memory with you. She loved watching you grow, and she'd want you to know that her love is still with you, always. I promise to always remind you of how much she loved each of you.

Vern leaves behind a lot of love — in her children, grandchildren and in all of us who were lucky enough to know her. We're going to miss her, but she'll always be in our hearts.
