

Amy Jo Gaffke

June 3, 1971 - December 6, 2023

“Like a lighthouse guiding ships through the storm, Amy illuminated our lives with her presence.”

Amy Jo Gaffke, age 52 of Center Line, suddenly passed on Wednesday, December 6th, 2023. She was born June 3rd, 1971, in Grosse Pointe, Michigan. She was the daughter of Francis and Darlene Delaurier. Adored wife to Mark Gaffke, together for 33 amazing years. Loving mother to Stephanie (Jess) Kerr, Carrie (Matt) Curry, and Ryan Gaffke. Cherished grandmother to Jaden, Lilah, Amelia and Rowen. A dear sister to Beth (Terry) Delaurier-McClellan, Kevin Delaurier and Johnny Delaurier.

Amy was a gentle soul who embraced every moment with positivity and simplicity. She had a heart that overflowed with kindness and her smile could light up any room. Amy had a natural ability to make everyone around her feel special and loved.

She was an incredibly involved mother who dedicated herself to her children's well-being and happiness. Amy never failed to listen, offer guidance and provide a loving and nurturing home. She actively participated in her children's lives by attending school events, choir concerts, games and often volunteered. She was their biggest fan and cheerleader, always encouraging them to pursue their dreams and reminding them of their worth.

Amy had many passions, including baking, gardening at home, traveling with family, music and camping trips up north. She found joy in attending countless baseball, softball and soccer games. A Skidmark for life, #01. Mark and Amy were known for enjoying concerts together. Whether it was music in the park or Kenny Chesney, she loved any live performance, especially with Mark by her side.

Above all, Amy's greatest accomplishment was her family. She was a best friend to her siblings. A devoted wife to her husband who adored her and the most selfless mother. She especially loved being a grandma. She was the glue of her family and blessed them with the most amazing memories together. Her impact will never be forgotten.

Her legacy of happiness and kindness will continue to uplift and inspire those who were fortunate enough to have known her. Her love for life and vibrant spirit will be deeply missed. May she rest in peace, forever surrounded by the light she so admired.

“ Amy was such a sweetheart. She was always smiling, I remember when I didn't have my badge for 3 months someway somehow she was always going in and out at the same time as me and always let me in. Even though we only interacted a few times, its painful to know that you're gone. You will forever be missed, sending my condolences to your family.

“ One of the sweetest people on the planet. Amy was family to me, main and my brother's Our mother's Lived back and forth With each other taking care of both families. I remember her being made to babysit me and my younger brother multiple times. Including when she had to jump and the Kalamazoo river to save my brother who jumped in after a plastic baseball bat. Amy will truly be missed. These words really don't make it any easier. But I hope she know she was loved by more than just her immediate family.

“ I didn't know Amy very well.
In the short time we did interact it was obvious what her passions were.....her family.
I believe in her faith of her family and I know as they grieve, they will rely on her strength of her family and understand the love she had for them.
I am so sorry for your loss, but I am so happy you will have your memories of her to rely on to get you through these hard times.

Love always, Coach Nelson

“ Amy was a coworker of mine and truly a treasure to be around. She was so easy to get along with and SO kind to everyone. Her face would light up when she shared the many stories of time spent with her family. She especially loved talking about and sharing pictures of her kids and grand babies ❤️ She is already so missed. Prayers go out to her family, friends and all of the lives she’s touched. You are a beautiful soul, Amy. Rest peacefully in heaven ☐❤️
