

Andranik "Andre" Melkonian

September 29, 1961 - June 28, 2024

Andranik "Andre" Melkonian age 62, a longtime Warren resident, passed away on 6-28-24. Andre was born in Highland Park, Michigan to the late Avedis and Elfriede Melkonian. Dear father of Erin (James) Mars and Michael Melkonian. Loving grandfather to Harper Mars. Brother of Margaret, Flora, Alex Jr. and the late Dikran Melkonian. Also survived by many nieces and nephews. Andre was a retired Custodian for Warren Consolidated Schools primarily working at Sterling Heights High School. Andre's family said "he never met a stranger". He developed many contacts and knew many people wherever he went. One of his favorite get-aways was Ludington, Michigan where he was at peace on Lake Michigan. In his youth, he enjoyed playing baseball and soccer and in later years became a fan of both along with other sports too. Andre loved to hunt. Both wild game and collecting sports cards and other memorabilia. A big fan of Eastern Market, he enjoyed going there just to visit and look around. He will be missed by his friends and family so very much. A memorial is planned for a later date. Please visit www.rudyfuneral to leave a message or to share a memory and light a candle.

“ My condolences to Erin, Mike, & family. We have precious memories of this beautiful heart of a man! I hear his laugh & recall his determination. Essentially he is the lucky one as he meets those that went before us! He was loved deeply, but will be terribly missed!
Love you

“ My Brother Andre, what can I say? He was a great guy there wasn't nobody that didn't loved him. I'm really gonna miss him. We fought we'd hang up on the phone we gave in time then call each other within days. I called him a week ago. Left him a message didn't respond. I know he's been ill. He wouldn't let me come to the house because of his illness, but we talked, he always said he was gonna take me down to Eastern market or up to Ludington. We never made it. This man can go anywhere in the world and he will run into somebody. He knows there's a lot of people that's been saying things on the Internet had a special place in their heart for Andre. My brother was a great gardener. He would call me and say Margaret you need to get some of these purple Hostas yeah Andre I know he came and planted stuff in my yard. I'm gonna miss the phone calls. Margaret put it on channel so and so Margaret, what horse do you want to bet on Margaret listen to CNN I'm gonna miss that. He loved his kids. He loved his granddaughter. He would always talk to me about them and I would say give it time he ran out of time. Yep, I'm gonna miss him. I hope he knew I loved him.

“ My Dad, my biggest cheerleader and supporter. You raised me to be strong, confident and fearless. With you by my side, I could conquer anything. Even through our tough times, we loved each other something fierce. I will always love you. Your memory will live on and I will always tell Harper how much her Papa Andre or "Pop" loved and adored her. Until we meet again. All my love, Erin

“ Andre' graduated with me from Centerline Class of 1980. He actually hung out with my brother Dave Cichoski. My brother was in a serious car accident in 1979 and Andre' was by my side everyday in school that year making sure I was ok. My brother survived that accident by the grace of God. He was diagnosed with cancer in 2019 and there was Andre' calling me , texting or messaging me a few times a week to see how he was and how I was doing. Andre' was a great guy and friend. He was definitely there for me. It breaks my heart knowing that he passed away. Rest in peace Andre' Give my brother Dave a hug for me. 💕🙏
