“ I am so, so sad to hear of Andrea's passing. Over the years, I had been blessed to work with her on MANY animal issues, and she was one of the most compassionate and gentle people I'd ever known. The world lost a kind, caring soul far too soon, and people and animals lost a truly great friend. She will be greatly missed. My prayers go out to her family and their tragic loss.

“ Andrea was as sweet and gentle a young woman as could ever be. Her caring and loving heart shined through her warm smile, and in how she led her life. She was always kind to others, and reached out to help when someone was in need.

We join so many others in sadness as we say good-bye. We will miss her.

*Love,
Uncle Ed and Aunt Meg*
