“ My name is Cynthia Buswink, The youngest of James Joseph Buswink, Anna's son, 3 children. I never knew my natural grandmother or grandfather on my Dads side. I live in Michigan. Moved here to be close to Dads side of the family. They have all passed on as well as my Father, mother and brother. There is nothing keeping me here now and was just searching for any remaining relatives or information. There was a John Buswink, north of me, who's mother used to babysit me as an infant in California. I did get the chance to speak with her over the phone in the 80s. I had called again a year or so later and spoke to John. I had asked if he felt she would be up for a short visit as I really wanted to meet her. My mother was the one who told me about her, and she was still fond of her. John didn't feel it was the best time as she wasn't at the peak of health. I also had a wonderful conversation with "Cuz Buzz" who told me some heartwarming tales of my Dad when he was young. I lost contact with him around 2004, I believe, and cannot locate his number. He and his wife lived in Illinois. Was just searching for family, stories and just general family information. I've only seen one beautiful portrait of my natural Grandparents, which proudly hangs in my sisters house in Texas. Was extremely fond of "Uncle Eddie" Kablaitis, but not exactly sure of the connection. Loved the tworzydlos as my grand parents, but did not know they were actually my great aunt and uncle until my early 20s. No one left to fill me in. I know there was some gap over a custody dispute. So if anyone reading this and has ANY information, no matter how insignificant it may seem, Please contact me at Cynthiajbagley@gmail.com or Cyndi Bagley on FB. My father always was and always will be my hero
