“ *I love you Anthony . So much . Me & the kids are gonna miss waking up to you everyday , you letting me sleep in & getting up with them . You always taking care of me , telling me you love me & you won't give up on making me happy . You truly were my rock in the hardest time of my life , mine & the kids . Thank you for everything ; for taking my kids in as your own . The last time we were together we went to Walmart & you bought chance his outfit with the “awesome like daddy” shirt. This is a tough pill to swallow, I never would've thought I'd drive back into town to this news. You were my comfort my rock my constant& the person I ran to every time something messed up . I no longer have that & idk what to do with myself but I know I love you . Forever replaying the voicemails of you calling me telling me “wake up babe I wanna hear your voice before I go to bed “ I wish I would've picked up that last call, but I didn't know it was gonna be the last. Love you . Til we meet again*
