“ *April was one of my best friends. I just loved her to pieces and still do. We shared both good times and bad with each other. One of the funniest memories I have is when she and I were at breakfast and she literally flipped the tomato off of her plate onto the table because... “I don’t like tomatoes”. That was April. Funny, spontaneous, loving, beautiful inside and out. Even though I haven’t seen her in a long time, I will miss her. Keeping David in the family in my prayers.*
