“ Dear Linda and Dan,

What can I say except this sucks but I truly believe that Cass is in a better place now.

Your children are not supposed to leave this earth before us but there is a reason for everything I guess.

On a personal note Cass you will not beat me anymore on lottery or football pools so there.

Linda & Dan be strong and take care of each other and Teddy.

Guess Who.?

“ I have so many memories w/ Cass, I couldn't really pinpoint 1 that stood out more than others but in knowing Cass since I was a little boy staying w/ my grandmother @ Jackson Trailer Park I got to pretty much grow up w/ him from lil kids, to teenagers, to young adults getting into trouble lol... The 1 thing that will always stay w/ me is the fact Cass would literally give you the shirt off his back if he knew it would help you! As a teenager I had alot of issues & was kicked out on my own w/ nowhere 2 go and Cass took me home w/ him and begged his Mom for me to stay & she let me... They treated me like family & I'm 4ever grateful for that! Cass & I hungout w/ a big group of friends we went 2 school w/ and Cass was always giving no matter if it was love, \$, his time, ect. Although as we got older & he had his accident we didn't talk much but I've always stayed in contact w/ Linda or Danny 2 check up on him... I'll never 4get you Mer now when you get 2 heaven give Lollie a hug 4 me & u2 hold it down until we meet again... Love you bud R.I.P
