“ Cathy worked for me for many years at The Lark. She was smart and hard working and enjoyed interacting with patrons. She had a big heart and always wanted to help people. It was nice listening to her stories about her beloved Jamaica, she so enjoyed going there. We all loved Cathy and she was like family. May she rest in peace.

“ I met Catherine 5 years ago on whatsapp when she found out we had the same friend. I live in Holland and we both knew and loved Jamaica. The last 5 years we shared our adventures, feelings and thoughts very regular. We thought the same about many issues. She became a close friend even if we had never met for real. I think this was a very special friendship. We spoke to each other every two weeks. I spoke to her for the last time on the 16th of november and felt worried i did not hear from her around Christmas. She meant a lot to me. I feel really sad to hear she passed away. I wish you all the strenght you need. She was a very wise, warm, loving and funny personality. I am thankful that i had the chance to getting to know her. I will miss her a lot.
