“ Another death put upon me. I know it's the Lord's way. Lord, my God open your arms cause one of your children has come home. Do not fall any deeper in the morning of a loved one. Instead, rise in the spirit of Jesus, my Lord, Charles will be missed. Let us not be so sad in his passing, but rejoice in his new embarkment of life with the Lord.

May the peace & strength of Jesus Christ be with all of you.

Love,  
Ed, Gina, Alex, & Alayna Wrona

“ Dad with all my heart I will miss you! You taught me to enjoy the simple things in life like being up-north in Croswell. Enjoying the beauty of nature. God took you from us but he can't take the memories. I love you Dad!

Marcy

“ To my dear Father who I love with all my heart. Although your journey in the physical world has ended all to soon. I want you to know that I will always cherish your unconditional love and support. You made sure that none of us went hungry. You taught us to love and respect nature. We had wonderful weekends in Croswelland you loved being there as much as we did. The flicker of the fires, chasing fireflies, and watching the satellites are all fond memories we will hold close. Thank you Dad for giving your all and for being you. I love you forever and always. A part of my heart left with you the day you passed. Please watch over us Dad and continue to lit our path. It's not going to be easy but I promise you I will always continue to fight just like you Dad. May you rest in peace and be free until we meet again. Love you with all my heart. Your loving daughter Cheryl
