“Hey Bud”,
That’s how you always greeted me, being your step-dad from 5 years on, your’s & Brian’s.
Can’t believe it’s already been seven years ago but I just wanted to write a little something in your honor, dear son...
Hearing of your death was beyond devastating news, wishing that I could’ve help you & your kids even more...I cherish all the memories of you, being my best help/partner ever in our Family Plumbing business, nobody worked harder than you, my Son!
I Love & think of you always & forever, Christopher...you were a Superman and proud dad to your kids too!
Barney.
