“ She was a wonderful woman who cherished her children, James, Jesse, Amanda, and Johnny she was a wonderful mom and a great grandmother. There was nothing she wouldn't do for one of them. I may not be her daughter, but she was the best mom I've ever had in my life and I truly believe she was the best mom to almost any kid who needed her, she would tell you like it is and then hug you with lots of love. I just wish I could've spent more time with her and James Jesse and Amanda always know she is always by your side. I love you guys more than you'll ever know with lots of love and a heavy heart your sis, Jen.
