“ *When we were kids I'd treat Connie like she was my baby when we came to visit. My favorite memories of her are from that time. When she would eat and get tired while eating she would ALWAYS fall asleep and fall face first in her food. Haha*

I'm so sorry Aunt Charlotte that you are going through this.

*Fly high my sweet angel and rest peacefully in the arms of angels .
I will be counting the steps until I see you again. I love you!!!*

“ *I grew up with Connie and her family. Connie was always a very tough and strong person. She always has your back. She loved her family. I can't pick out just one memory because I cherish them all. I want mom, Tab, Barbara & Missy to know that I love them and I will always be here. I love you guys xoxo.*
