“ I'm not sure who created this page but I have 2 things to say to you. One, thank you for making it and letting people be able to share their memories of my uncle with other people and keeping his spirit live on within us. Two, did you forget he was also survived by his sister, his ONLY sibling and ONLY remaining imidiate family member? I'm just saying yes he was married and had kids for 16 years, but he also had a sister for 56 YEARS! I just don't understand why she was not mentioned in his obituary...
