“*rico was a father,a brother,a friend,a shoulder to lean on. there isnt one person or thing he didnt care about, he loved everyone as his own. he had the talent to turn any bad day in to one of the best days. he stood by his words and he had the power of motivation. he was a strong willed person with lots of opportunity. its very devistating to see such an amazing soul leave this earth from us today. as we may not have the power for more memories, i sure have alot of them to remember. forever big rico, may you rest in peace, our heavenly father amen.*”
