David "Bud" Bernard, born June 15, 1976, passed away August 16, 2014 is survived by his Loving Mother Susan, Predeceased by his Father Thomas Bernard. Devoted Dad to his Children Naudiea, Peyton and Alexis. Dearest brother to Margene and Jim Tyll, Tom and Janet Bernard and Jodie and John Clement. Adored Uncle to Jimmy and Jacey Rae Tyll, Ame and Brooke Bernard and Sam and Jake Clement. Bud or Bubba to all that knew and loved him was an avid sports fan who shared the love of sports with his children. He was their number one fan. He was either coaching them or on the side lines for all to hear him cheer them along. Bud's children were his entire life. Bud loved nothing more than a good sports conversation on any sports topic. His family was everything to him. That family did not stop with blood, his closest friends were like brothers to him. Bud had a heart of gold and loved with all his heart. He touched more peoples lives then we ever realized.

We ask that you join our family in celebrating the life of Bud at Barrister Gardens for lunch Wednesday, August 27, 2014 from 12:00 - 4:00 pm. Barrister Gardens is located at 24225 Harper Ave., St Clair Shores, MI 48080.

“ *Prayers for peace for his family affected by this sudden loss. My daughter Audrey and Alexis are very good friends, and although I didn't know him very personally, he always made a way for her to come and hang out with with her friend, and arrange for Them to spend time together when possible. Our family is deeply sorry for your loss.*

“ I remember when Christine and I were younger you had a huge inflatable pool. I leaned over the side of it and made it collapse and flooded your back yard and ruined everyone in the pools fun. I was so scared you would be so upset what I had done to your yard. But you just laughed:) you were always so cool. Or the time we were all in Florida and you caught me smoking. You promised not to rat on me but told me you'd kick my ass if I kept it up. Always looked out for us when we were young and stupid. We could tell you anything. I will miss seeing you come in my work for crab legs.. Thankyou. You impacted my life and many others more than you ever realized.

“ *My son loved life and his family and friends. Everyone that knew him loves him. I have never felt pain like this. We were making plans all night the night he passed on what we were going to do to help him raise his 3 kids. He did not want to die and didn't do anything to try to end his life. Please know he would never deliberately do something to cause his family and friends this devastation he loved us all unconditionally. Please pray for his kids. And love and cherish each other as he would want you to do. My son my baby boy my life is gone it will never stop hurting*

“ *My heart goes out to all of Bud's family - His mom and especially his kids. He was a great man who was always willing to reach out to others, when he felt you needed it most. I know this first hand. I will miss our goofy, random messaging. Who knows, maybe you really ARE hanging in the rug isle at WalFart with your bottle of Barefoot. Now I will never know. lol... You were so proud of your kids and I loved seeing all your posts about Peyton and his latest accomplishments. Your pride radiated through your words and pictures. My heart breaks for all of your "brothers". Your close group of guys was always comparable to my close group of girls - my "sisters". I can't even imagine the heartache they are each feeling. Although you were still needed here on this earth, and still had much to accomplish and enjoy, I wish you only peace now. Let your mind and body rest. Thanks for all the fun memories and heartfelt talks. - Barbret*

“ *When I was eleven years old this family gave me a place in their lives, all of them. They tried to teach me many times the true meaning of family only for me to run on self will. Bud taught me that brothers fight for the women in their lives and protect us at all cost. It took me a whole lot of pain and suffering but , I did it. And as they always have welcomed me back and Bud contuned to help and cheer me on. I will never ever forget you. I love you will of my heart. My thoughts are with my second family.*
