“ Pops. Daddy.....I miss you more everyday. I don't have my person to call and talk things out...to tell me what I should really be worried about..to keep me informed on the world's events and how concerned I should be....but most of all.....I miss our jokes and our sense of humor. We had a way of joking that was us and I will always remember that. Even up to the last few days before you left us...we were making our jokes. I love you and hope you are happy being with Mom, Grandpa, Grandma , Aunt Mary Ann, Beth, Cindy, Goliath, Bunny, Angel, and everyone else! I love all of you and miss you and Mom daily. I hope you are now enlightened with the knowledge you always studied and enjoying knowing how God is really apart of it! Forever.in my heart. ❤️
