“ We were band mates in school. He played flute beautifully. We hung out for years while going to school. He was a nice guy and gentleman to me. His brother Wayne and my mom dated way before David was born, but that was a coincidence to find out years later. All handsome guys to say the least...love, Tina

“ I’m David’s second cousin and was looking for him. I’m visiting my mother in Florida and she was looking for him. Sad way to find him 😞 If anyone could give me any information on Dave for my mom I’d be very grateful!
