“ Never expected it to be Davie 💔 He lives in many many of my memories growing up and will forever. He was my buddy for most of my childhood, even if it was mainly just in the summers when we would visit or he would come to TN. I looked forward to each visit every year. I don't think any two cousins could duke it out like the two of us lol. I'd love to go back in time sometimes, and soak up each memory a little more. Davie, you were one of the kindest souls in our family and it shown in your eyes every time you were around. A gentle giant with an entire life I wish you could have gotten to life. I'll miss you forever. I will see you again someday ❤️💔

“ Im so sorry for our loss of Davie, he was such a sweet boy. I remember bringing him home to Tennessee with me, he stayed a couple weeks. I remember him getting scissors and a mirror and hiding in the closet and cutting off his hair. What a shock that was. Lol I remember taking him to Walmart and buying him jeans and a wallet with a chain that hooked to his belt loop. We made a-lot of great memories. He was such a sweet gentle soul. Love Aunt Deedee
