“ We shared many laughs over the years. You were more than just an aunt to me, you were a good friend. You spent your life always taking care of everyone else, and now it's time to relax and be at peace and let God take care of you. Give Aunt Denise, Grandma and Grandpa a big kiss from me (pork chop kisses). I find peace in knowing we will all be reunited soon and having you watching over the rest of us for our times left on earth. Rest assured Jim, Raven, Russell and Dozer will all be taken care of.

Love you and miss you more than words can express,

Leslie
