“ I have never met Delphine in person, but know her through the sweet, loving and caring posts her daughter-in-law Laura Kay has shared. What I do know is she was a wonderful and caring woman who lived her life to the fullest and that she was very much loved by her family. My blessings to the whole family and may you know I hold you in my heart, thoughts and prayers.

*In Love and Light,

“ I only knew miss Delphine for a few short weeks, but she was the most kind and sweet soul. She was witty and loving. I love her like my own grandma. Her children Tom and Laura are some of the most beautiful people I have ever met. I am blessed to have gotten to know them as well. Miss Delphine will be truly missed and already is. Laura Krall

“ *She was such a tiny little thing but she could give a good hug. She tended to be on the quiet side in a crowd (Christmas Eve, etc.) but you could tell she enjoyed just listening to everyone. She loved owning a dog and she had two during the time I knew her. She spoiled them rotten and each one loved her a great deal. She loved Tom, Laura, and Jacob so much and I know they will really miss her. I will too.....*

*First, so sorry for your loss! <3*

*We're looking for who we think is her son, Derek Hundzinski. He was friends with my husband during their school years at Lincoln in Warren. Does anyone know what happened to Derek?*

**Marie Baker** - July 30, 2016 at 05:28 PM

*Marie, Derek was my husband Tom's brother. Not too long before she died, we received news from police in Florida that Derek had been hit by a car while riding his bike and killed. I'm sorry I didn't see this sooner...
