“ *Diane had the biggest heart that she shared with countless patients. I had the pleasure to know her during my time working at St John. She was inspirational with her kindness and generosity. She always encouraged me with my studies and was thrilled for me when I became a PA. I'll never forget her. God bless.* ”

“ I am going to miss you Diane. Diane and I had a CPR class that we had to go to and she asked can we ride together. The CPR class was that Moross St John and of course me being from Detroit I knew my way around. She drove, and I enjoyed being her passenger, after the class she was telling me about how she grew up in Detroit. So I took her, to her old high school and we drove, to my neighborhood so she can see my house. I enjoyed that day a lot. I just seen her a couple of weeks ago. I had to draw some blood from her and I was so surprised to see her so I had to give her a big long hug. She was looking SO BEAUTIFUL. She was surprised and happy to see me too and that I was doing good in a new Department. Diane you'll always be THE COOLEST GRANDMA. To Diane Family, sending y'all hugs and prayers. Thank you for letting her be part of my life.

“ Diane and I met several times throughout our adult lives. I was always impressed by her sweet nature and eagerness to please others. I remember how happy she was when April and Derek got married and how much she adored her grandchildren. The most vivid memory I recall is the party she hosted for April's college graduation. The food she prepared was a banquet beyond description. May the legacy of her love continue .

“ *My Dearest Auntie. I have such fond memories of her but I always come back to her smile and loving heart. While staying with her for time in the summer of '73 I found her record player and 45's and would listen for hours and hours. It was that time that gave me the love and passion I have for music today. Heaven has gained a beautiful soul. Love you Auntie.*

“ *My Auntie was kind and generous and loving, beautiful and wonderful to everyone. She was bright-eyed and full of life and her smile lit up a room. She will be missed so dearly by those who loved her. My heart goes out to April and Gary and her family and circle of friends. We played Scrabble online every day. She was my biggest competition and won a whole lot more games than I did. :) I will truly miss my Scrabble partner. Sleep well Aunt Diane. I love you.*
