“ *Dino I feel so Blessed to have been a part of your live. Meeting you six years ago I knew you had a good heart little did I know how much I would end up loving you as I do. Sad that we parted ways for a few years but I thank God we got back in touch and I was able to share a part of this difficult journey with you. I will hold our conversations in my heart forever. You are an amazing man that has touched so many lives. Yes my heart aches at the loss but also smiles with the special times we shared. Even if you didnt agree with my medical advice lol you are a strong man and I admired you. My love for you will last beyond eternity. Till we meet again my good friend! RIP*
