“ hi. so very sorry for your loss.don was one of my best friends.we knew each other since we were kids.some of my best memories are when we would go hunting near Pontiac,mi.
we had an idea in the mid-seventies to go to Alaska and seek our fortunes. I wound up going in the army. after I retired, I moved to ohio.don was the kind of guy who would give you the shirt off his back and really enjoyed helping people out. he never asked for anything in return.he was truthfull,sincere, and honest.he will truly be missed. your friend
