“ My grandpa was a caring, kind, and loving man. We always had fun on our Wednesday card night when he would tell me how to beat my mom and grandma. My grandma and I always called him the cookie monster because after every meal he would make room for a few cookies even if he told my grandma he was full. I will miss you so so much grandpa I hope mom and aunt Donna was there at them pearly gates I love you so much. I know you will be watching over us and don't worry about grandma we will watch over her for you until you guys meet again. We love you!! Julie, Chris and kids

“ Donald is certainly in heaven with his daughters. His suffering is over. He has been a kind and joyful person. He was always so good to me especially in my younger years. I will always remember his kindness. May God keep him in His presence.
