“ Can't stop the memories and love for you flowing in my heart today. Tears roll , don't know if its guilt because I hadn't seen you for so long before you passed or because,as my best friend,the bonds never break. I loved you Donna Guzman, and so sorry we slipped away in later yrs.I talk to Candice , So glad I found her, but I don't know how to comfort her the way i really want to. She is so sweet and righteous ,like you, I think of her becoming family.Well I'm Praying, yes i said Praying, slick sister, they don't crack up on this anniversary of your passing, but cry warm tears with fondness and peace in their minds and hearts. xoxoxo RENEE
