“ *I love my mom. She will always be in my heart. I thank her for helping me become the man I am today and for instilling the values I live by. Times like this make you appreciate what you have. Tell your loved ones you love them everyday because God doesn't promise tomorrow to anyone. I will always have my memories and know she is at peace. My faith helps me know she is now at home with God and her loved ones. Thank you to all for your thoughts and prayers.*
