“ I still can't believe your gone. You touched the life of so many..... I have so many memories of you but the ones I cherish and remember the most are of the day Dylan and Jacob were born. You were so happy, so proud, you loved them will all you had and then some, and they loved you too... Dylan says you weren't just his dad you were his best friend. Rest In Peace Duane. Gone to soon but you will never be forgotten. 💕💕
