“ Deepest condolences to the family. Duff was a loving friend for the past 38 years, and he will be sorely missed. I can't count the times he was there to help me. I had to get in line though, because he helped so many others. He was generous that way. RIP my friend, until we meet again. 🙏💔

Duff was an amazing man, I was honored and lucky to have met and worked with him for 17 years, he made a big impact in my life, he made a big difference in the lives of the people he met and came in contact with. He loved his kids and grandkids and his great grand babies so very much; we don't realize how much a person means to us and how much you love and respect them until tragically they are gone. I am going to miss him so very much, the bonds and the brotherhood I had with him, he will always be known as Uncle Duff to me and so many of his other Co-workers and friends, I love you Unk and We are all going to miss you so much, thank you for letting me be a part of your life my Dear Friend and Brother & Unk, luv ya Buddy, rest in peace God is with you Always
