“ Eddie and I were friends and teenagers who grew up going to Germania Bowling Alley As kids we would play outside the front We also would be at the BeXAR Social club for weddings and celebrations. Eddie would always ask me to dance He was polite always smiling , sweet, and friendly. Whenever the band played Silver Wings Eddie would look me up. Just sweet teenager memories from a childhood friend. The Lord truly answered my prayers when Eddie was not hurt from mean people and his family now know he's at peace with Our Father. Hopefully there was peace in knowing
