*Eileen was my Niece and Best Friend growing up. She was Maid of Honor at my Wedding When Eileen married Dan, I was her Maid of Honor We were like sisters. We bought clothes alike, but they had to be in different colors...mine pink and hers blue...we used to put clothes pins on our nose thinking it would make them smaller...that was a joke! We always had so much fun together. She will forever live in my heart...She was the "BEST" I love Eileen and Dan so much Both such Great people!
To the family, You have our deepest Sympathy...Your in our thoughts and prayers*

Love Always Ralph and Nell
