“ Betty was my second mom for many years. She was such a joy to be around and always made the holidays special for the family. And boy could this wonderful lady cook!!! Even though our lives changed and I didn't see her often anymore, she and Tom were always in my thoughts. My sincere condolences to all her boys, as I know her absence will be felt deeply. You guys are all in my thoughts and prayers.

“ *Betty was an incredibly loving, caring, creative, and sincere soul and was full of life. She always thought of others before herself and was generous with her time and knowledge. She was the perfect mother-in-law and accepted me into her life and into her family with open arms and her heart. I will forever cherish her love and compassion. I know you will rest in peace forever. Thom Baggett*

*Betty was a kind, caring and talented individual. She was more than just a neighbor. Betty was a good friend. She touched the hearts of many and although she will be truly missed, she will never be forgotten. Every time I look at the daylily that I named after you, I will remember the many wonderful memories of you. Rest in peace my dear friend.
