“ *The best mom in the world. We all love you so much. There wasn't anything you wouldn't have done for any of us. You went without so that we had. The greatest gift you gave to all your children was the knowledge of God. Because of this we know without a shadow of a doubt we will see you again. You prayed continually for all of us and I know because of those prayers God has sent his angles to watch over us. You are greatly missed but I thank The Lord he choose you as our mom. See you soon. Xoxo Joann* ”
