“ I’m so sorry to hear about George, he was one of my best friends when we worked at Chrysler. He was on my mind lately and I was so disappointed to find that he passed away. Not only was George a great person but he had a heart of gold. My memories of him on our yearly fishing trips were memorable, fun, and truly a friendship that will never be forgotten. I am so sorry for your loss.

“ So sorry to hear of George's passing. Nurses said he was moved to another room. He was a good guy and enjoyed working with him at Chrysler. My brother-in-law that was in the ICU room next to George passed two days after George. Prayers for the family. Sue Bendert

“ I have too many memories to count with this remarkable man. He will be deeply missed and as long as i walk this earth i will not forget what he has done for me and my family. From bowling every weekend to going fishing he shaped me as a man and helped me through some of the toughest parts of my life. He saved me from the deep depression i was in and helped me not to give up on myself by never giving up on me. He was a selfless man with good intentions and always provided a good life for me and my family. I will forever be grateful to call this man my grandpa.
