“ *Met Geraldine last year working as the travel escort for St. Clair Shores Adult & Community Ed. What a character, I thought, she has personality plus!!! Loved to be around her and always enjoyed her company. She was very supportive and always told me I was doing a great job.*

Knowing her for such a short time, she has made a big impact on me. I will miss her everyday.

*My deepest sorrow to her family,
Erin Fournier*

“ Geraldine was like a mother to me. She called me Brat or Antoinette. I always looked forward to visiting her when I went home, it was like we had just saw each other the day before! When I was young she kept an eye on me, fed me when I was hungry, gave me hand me downs, took me places, let me spend the night and yelled at me! She treated my brother David nice when most people were rough on him. I knew she loved and cared about me. She pretended to be gruff but had a heart of gold. I'm glad I got to talk to her and tell her thanks for all the fun memories. I will never forget her. She was family.
