“ Gerri, I'm feeling a little lost since you left. We spent so much time together the last few years. Boy we could fight lol but I think we said I love you more in last 9 months than our whole lifetime. You really were a good person. You were a proud woman and wouldn't take shit from anyone 😊. Anyone who really knew you knew you had a good heart. Always wanting to give people things. You were my candle supply girl. I love you and will miss you tons. Hmmm spicy why didn't I think of that?

“ Gerri I’m feeling a little lost right now. We spent so much time together the last couple of years and I guess it’s just sinking in that you’re gone. We had some pretty good fights lol but we also had a lot of good times. You truly had a good heart and you were kind and very generous always wanting to give me something. I think we told each other I love you more in the last couple of weeks than our whole life time. I’ll miss you lil sis.
