“ To the Holman family, I am so sorry for your loss. Gloria was such a sweet women. Your family has been my neighbors since 1979. I have many memories of Gloria hanging cloths outside, fussing with all her flowers, tending to her yard and hanging out at the picnic table, that is when she would chat and catch up. One time I (Melissa) gave her a perm when she came into a salon I worked at (years and years ago). She was so excited for me to do it. Jim and Gloria are such great people. Jim took good care of her and she took good care of him. She was so funny. This one time out of many, Jim got up on the roof ,when he should not be doing so (scarying all of us), she would yell at him saying "you old fool" get down from there! They were so cute!! I will miss seeing her come out and sit in her chair in the back yard.

*Sending healing hugs and much love,

“ Gloria, I loved the many discussions we would have regarding child rearing, stories about your family, recipes and discovering my mom's garbage soup was really an Italian soup. I'm sorry you had to go through so many problems with your health in later life. Jim took such good care of you. Nancy, thank you so much for bringing me into your family so I could know such wonderful people. I wish it had been more frequent in the past years. To all the Holman's - you will miss her but she will always be a part of you! Now she is finding Peace and watch out! She will be watching from above and I am sure she will let you know! Love you all and many hugs to all of you.
