“*Heather has been my best friend since we were basically born. We grew up together. We always stayed friends. I never ever did anything to hurt her, I never got into a fight with her, never an argument even. We have always been there for each other no matter how long time went by.. when we seen each other it was like time never passed. Heather was somebody so special, so caring, so kind and so loving to everybody that she met.. I know this is truly the hardest thing Mary and Perry has ever ever gone through. As well as her sister and brother. In the whole family my sincere condolences and prayers are with you all at this time. Me and Heather were born the same month and same year just different days.. Rest In Heaven Heather. Theres no one like you! Love you so much. No more pain or suffering. I love you!*
