“ *I am very sorry to hear of Helen's passing. She always thought of others. She always asked about the health of my family, especially my husband. My heart is heavy thinking I will not see her smiling face at church any longer.* ”

“Helen was a very special lady, a dear friend. I grew up on the same street she lived on. She served Kramer Homes with my dad, Jerry Handley, and was the first person at his funeral last year. We saw each other frequently at church and she always had good things to say about my family. She thought the world of my son and always let me know so. I saw her just a few weeks ago and we had a nice chat. I'm really going to miss her. I'll be keeping you in my thoughts and prayers, Bill and Annette. She was a wonderful woman and was very proud of her family. I'm so thankful we had a chance to reconnect and enjoy a friendship.
