“ My dear sister *Ida* will be missed so much. We have gone through so many joys, tears, and lots of laughter through the many years. These last years of our lives have been the most difficult because we could not be there to love and support each other. All the memories of the sisters and brothers singing and dancing and just having a good time together go through my mind and bring a smile to my face and heart. My heart and mind are filled with all the love and friendship we shared. *Ida* was always so kind and generous and always ready to listen or help anyone who needed it. I love you *Ida* and look forward to seeing you in heaven. *Kay*

“ My sympathies to the entire family. I feel very fortunate to have lived across the street from such a nice & kind woman. I remember parties in the basement and she always brought us neat souvenirs from all their travels .My fond memories of childhood will ALWAYS include Mr. & Mrs. B. May she rest well.

“ *I have so many memories of Mrs B but the one that sticks out is that she would let all of us kids on the street pick a horse in the Kentucky Derby and who evers horse won she would give a 50 cent piece to as a prize. Such a wonderful lady and she will be missed; My thoughts & prayers go out to the family.*

*Although I didn't get to know your Mom very well, I know she was a remarkable lady by getting to know her daughters, especially Cathy and Bev. I know all of you will miss her, but you have to rejoice in God letting you have her for so long. Our love and prayers are with you and we hope to see you soon.
