“ Grandpa,

As a child I knew you well, I knew you as a kind face that for some reason loved me so much... Thank you for that love. I knew you as someone who would play catch with me and come to watch my baseball and soccer games; those acts of love, no matter how small they seemed at the time... will never be forgotten. As a man I did not know you, but I pray that you knew I loved you. You are my Grandpa, I am your Grandson.

"It is the will of God and Nature that these mortal bodies be laid aside, when the soul is to enter into real life" -Benjamin Franklin

I'll see you again someday, I'll have my mitt ready.

I Love you.
