“ *Dear Barb and Don - I am shocked and saddened to learn of Jacob's passing. It's been years since I last saw him, but have a very strong memory of visiting you at your home in Warren when Jacob was young. It was the days of big hair and chunky jewelry, and I was sporting a pair of not small dangling earrings. Jacob was fascinated with them - he kept coming up to carefully touch and stroke them. He was so gentle; that's what I'll always remember. A kind spirit.*

I hope the memories you share with your family bring you smiles and peace.

Much love - Sandra
