“ *Your mom was my therapist during my early 30s...and for 5 years. Now I am a psychologist in practice for 20 years. She encouraged me in ways I never dreamed possible. She was a true light in my life to guide me through some very dark places. God bless Jackie...and may your family live in peace knowing she WAS a good and faithful servant to Our Lord who created her....MD*

“ I was in arc many years ago. I was a stubborn stupid teenager. Jackie was someone who turned me upside down and shook me out. And i hated it. But i loved her! I never had a chance to reconnect with her and tell her what a difference she made in my head and heart. My mom called and told me about her passing. She will always be a part of me and i want to thank her family for sharing her with us,her other kids.

Thank you! That is the best compliment ever.

Some times it felt like mom had two sets of kids. Myself and my brother and her work kids. She loved both on separate but same levels. That was a very thoughtful comment.

“ She was the most caring woman I have ever met she would always say "Spencer, I would slay dragons for you" she will be remembered for the love, the joy, the home-cooked meals, and giant family get togethers she was the best grandmother I could've asked for

“ *Not only was she my Mother-In-Law, she was a good and trusted friend, a confidant. She loved her kids with all her heart and gave all that she could. She shared her family with me and showed me love as if I were truly part of the family. She will be missed, but her memory lives on in the grandchildren she loved so very much.*
