“ I met Jacque in high school and remember her as a kind and gentle soul. Never an unkind word and always pleasant. She was truly blessed in this life with many children and grandchildren and my thoughts and prayers go out to her family and friends. May the good Lord bring her home and give her rest.

“ I met Jacque, like most, thru softball. We played in Lapeer at a tourney. We talked throughout the day, between games, and every time something was mentioned, she would have a story. I kept thinking who is this woman? (For the record I don't know if it was truth or bull....) Anyway, we end up getting to the championship and almost get in a brawl against the other team because they kept changing the rules. We ended up winning and from that day forward, we had many run ins on the field, as teammates and as foes. Many, many laughs and a few arguments (she was a Cubs fan and I'm a Cards fan), but they never carried past the diamond. So many memories. Hopefully you are resting (or running) in paradise my friend! I'd shout Verbal Interference but then I'd have to explain one of my favorite inside jokes we had so I'll pretend I didn't write it. Rip Jacque, I'll see you on the big diamond in the sky when it's my turn to bat!! Love to your family and friends.

“ Jacque, I will always remember our fun and insightful chats about skating, life, and many other things. Your humor and warm-heartedness and dedication to the things you most believed in is something I'll continue to carry with me forever -- You will never be forgotten!

“ *Missing my sister, she was such a beautiful soul.. even though the last several years we didn't see eye to eye, I always loved and prayed for her. May she be at peace and full of energy as she was not one to sit around, always was doing something.*
