“ I'm sadden by the news of Jennie a beautiful young women taken to soon. So many memories of growing up with my daughters. Middle school through high school choir Ascension softball sleep overs and so on. My fondest memory is Mr. Miller the high school choir teacher playing the piano and Jeannie singing at my daughters wedding. Condolences and prayers to her family.

“ Many of my childhood memories include you, Jeannie. From going to your Dad's reenactments, several Tigers games in 1984, playing softball, playing ball in the empty lots next to Grandma's house, mudding in my Jeep when we moved to Chesterfield. Gone too soon. Prayers and love to you and your family.
