“ Aunt Sue, Brian, Greg, and Lauren, words cannot express how sorry I am. Uncle Jeff was truly an amazing man who loved his family through and through. I have so many fond memories from when I would babysit for you all and he would come home with jokes, great stories of what you were all doing, and pride in his wife. Love you all.

“ Jeff was the first person to pop over and welcome me to the neighborhood when I moved in across the street in 1991. He literally walked in the door as my stuff was being moved in and never stopped showing up to help if I needed something.

Jeff was such a font of good information and helpfulness. He and Sue did so much more for me than I could ever do for them.

I was just telling someone yesterday how I actually enjoyed some of the times when we lost power for a day or two or three because we were all able to slow down and get together (usually at the Davis' because Jeff had the generator running) and do pot lucks, play board games and cards, and watch a movie.

New Year 2000 was a great time too with all the kids included. And the time your dryer caught on fire. Finding out we both graduated from Utica High School. Being included in many of your family functions. Tartan Drive was the best place I ever lived as an adult due in large part to the Davis family.

Jeff, you are and will always be missed and never forgotten. Thanks for the wonderful memories!

Love, Linda Irvine
