“ *There's way too many memories to only choose one. Memories that will never be forgotten but always remembered. You should be remembered for all of the things you have done and achieved, and the lives you touched,not by this tragedy. You will always be BERT. Always wearing them slippers, You me and Jettone always on a mission walking Around warren. Always driving with the tank on E Running out of gas and the Cadillac breaking down at 4 in the morning being chased by the ghetto bird. You and jorah surprising me cooking me breakfast and dinner For my birthday. I can go on forever and make a book out of the memories I was fortunate enuff to share with you,but I'm getting too emotional and shit.so I'm going to end it by saying you'll never be forgotten. And don't worry we got your family. They'll be taken care of. Family stands for family and nothing less. Hope heaven has Facebook*
