Tribute Wall

“ To My Nephew Jeff - I remember so well the little boy who was born a month before his cousin Tina. Your mother and I felt a strong connection as the two of you resided in our wombs. You were born and turned into the smartest little boy one could ever find. You gave your mother such joy. All too soon our beloved children grow and go on their own path. We can only take you so far. Your mother was always so proud of you. I can only say that I find so much comfort in knowing the two of you are together again along with Grandpa. You were the biggest joy of his life. We will miss you so very much Jeff. You are always in our thoughts and our prayers.
With much love,
Aunt Audrey
