“ *Nelson you were always there for me. whether it be to come get me because I was too drunk to drive, helping me fix my car or calling me down to share your corned beef because only me and you liked it. These are only a couple of the many memories I will treasure. He was a jokester but had his grumpy side for sure but overall he was a big teddy bear. I knew I could count on him. Love you Nelson and you will be greatly missed. RIP*
